POLICY DOCUMENTATION

BEHAVIOUR POLICY

At South Street Community Primary School all children have the right to an Education which offers them the best opportunity to work hard, be happy, safe and make the very best possible progress.

We strongly believe that all adults and children in our school have the following rights :-

“the right to be Happy”, “the right to learn (teach)”, “ the right to be listened to”, “the right to voice their opinions” (in an appropriate way) “the right to be safe”

We know that all children in our school follow our Golden Rules:

- We treat all others well (we never hurt anyone verbally or physically)
- We never give up (even when we are challenged)
- We are productive (we never waste time)
- We accept sanctions from all adults (without argument)
- We tell the truth (even if it might lead to a sanction)

In Foundation Stage, the golden rules are:

- We always keep our hands, feet and objects to ourselves.
- We always do what any grown up says, the first time they say it.
- We always try our very best even if it's a hard job.

We support children in understanding what good behaviour is by:

- Always referring to our school rules and our rights and responsibilities.
- Discussing incidents and solutions as a whole class.
- Modelling it.
- Scenarios – PSHE lessons.
- Circle time.
- Clear expectations.
- Displayed rules (created by children).

We promote and encourage classroom positive behaviour through:

- Rewarding it.
- Golden Time.
- Highlighting the positives.
- Celebrating publicly in school.
- Celebrating on our website.
- Clear expectations both verbal and continuously referred to and displayed.

We promote and encourage positive behaviour at playtimes and lunchtimes through:

Golden Time System:

- Within each class, there will be a 'Green Chart' containing the names of the children.
- Each child begins the week with an allocation of 'Golden Time' to be taken at the end of each week on Friday's from 2.30 – 3.00pm.
- At the start of every morning and then again at the start of every afternoon, all children will be given a green card, orange card and a red card. The green card will be placed at the front of the holder in view of the class, indicating that the child has their full allocation of 'Golden Time' for that day.

Heading to Red

- If a child demonstrates a behaviour that is unacceptable in our community, then they will be given a verbal warning and their cards will remain in place.
- If the child is given a further warning within that lesson, this means that their green card will be placed to the back of the cards, showing that the child has a warning and is now on an orange card for the rest of that day.
- Further unacceptable behaviour will lead to another verbal warning, which proceeds to a red card. This now means that the child has lost 5 minutes of their weekly allocation (teachers need to ensure that the card within the child's register class is moved appropriately). The maximum amount of time lost each day is 5 minutes.

Going for Gold

At South Street we acknowledge that many of our children try really hard and are on green the majority of the time. A Golden Card will be given to children whose behaviour is exemplary and a role model to other children. To make this special and high profile only four Golden Cards can be issued each day.

In KS1 children will 'cash in' their Golden Card for planet points for their team. In KS2 children will 'cash in' their Golden Card for golden tickets. These will then be rewarded by their class teachers and KS Managers in assembly.

Rewarding Behaviour

- Continuous positive behaviour over the period of a term period will be further recognised through various other rewards such as class celebrity.
- All children take part in fun 'Golden Time' activities for half an hour on Friday afternoons for the length of 'Golden Time' they have remaining.

The Sanction Room/Time out Area

Throughout school, children who have lost 'Golden Time' spend the time lost away from the activities in classrooms and return once their 'time lost' has lapsed. Teachers keep parents informed of children who have lost 'Golden Time' and arrange to meet to discuss issues if this is continuous.

As with all policies in school, we encourage staff to operate a differentiated approach to rewarding/warning, taking into account the individual needs of the child.

NON NEGOTIABLES

At South Street we:

- Never send children out of classrooms without a destination.
- Avoid humiliating a child in front of other children.
- Always talk to children with respect.
- Try to understand why a child has acted in a certain way.
- Listen to children's reasons for behaviour.
- Encourage children to take responsibility in deciding their sanction.
- Always inform Head Teacher/Deputy Head if a child has left the class/building immediately.
- Never chase children.
- Never accuse of blame without thorough investigation and evidence.
- Never restrain or touch a child in any way that could be considered aggressive unless trying to prevent them from harming someone else or themselves.
- Forgive children for their misbehaviours and show belief that they can do better.
- Exclusions are at the discretion of the Head Teacher and Deputy Head in her absence.
- External exclusions can only happen when all else has been tried.
